

**Lord, prepare me to be a sanctuary,
pure and holy, tried and true,
with thanksgiving,
I'll be a living sanctuary for you.**

**Lord I love you and I will follow
thru the fire, thru the flame.
Before my family, and my friends,
I will follow all my days.**

**Lord I falter, you know I fail,
but you are faithful, so I shall stand.
By your grace God, and thru your mercy,
'till I reach your promised land**

**Lord you are more precious than silver
Lord you are more costly than gold
Lord, you are more beautiful than diamonds**

And nothing I desire compares with you
